

Multi-Agent Sales Assistant Survey

Hello everyone,

Thank you all for taking the time to attend the presentation and for your interest in this project! This survey is designed to gather your feedback on the Multi-Agent Sales Assistant for Microsoft customer-facing teams. Your insights will help shape future platform strategy, feature prioritization, adoption planning, pilot opportunities, and the overall product roadmap. The survey is divided into a few short sections and should take less than 5 minutes to complete.

Thank you again for your time, feedback, and support

*** Required**

*** This form will record your name, please fill your name.**
